The lucky winner of a £100 cash prize in a recent competition run by leading dry cleaning equipment supplier, **Renzacci UK plc** is Mr. Ghani Ameen of 'Fresh as a Daisy' drycleaners in Chiswick, west London.

The competition appeared in the spring issue of Renzacci UK's newsletter, "**Clean Sheet**", which was published prior to Easter and distributed to Renzacci customers and prospective clients. It invited entrants to answer a simple question and complete a tie-breaker. Ghani correctly answered the question and his tie-break was selected as the most apt by an independent judge.

Ghani had actually called into Renzacci UK's new offices near Heathrow airport for some spare parts when he started reading the newsletter. It prompted him to enter the competition there and then. "It was lucky break for me spotting the newsletter in the foyer" says Ghani. "I was really only passing the time waiting for my spare part order to be assembled."

Our picture shows Ghani (left) being presented with his prize by Jason Alexander, Managing Director of Renzacci UK. "I am delighted to have won" said Ghani "and I have re-assured Jason that the money will be put to good use!"
